

# The Reprocessors' Challenge

**Got some rubbish that  
you want to get rid of?**

**Wait, stop and think!**

**Could you recycle it and have a bit of fun too?**

# CHALLENGE TIME...

## where Everyone is a winner!

- ▶ We would like all of you take on this challenge
- ▶ The Borough Council's Single Use Plastic Committee members will be looking for some brilliant designs created in each of five categories by **YOU**.
- ▶ Remember, if **YOU** do better recycling, **YOU** will be working hard to improve our world so **EVERYONE** is a winner!
- ▶ The five challenge categories are:

# 1. Design a Mascot

- ▶ Using recycled materials, create your own mascots from scratch!
- ▶ Here are a few examples that the Reprocessors made:

Reece Cyclor,  
No-Garbage Guppy  
and Roger Rubbish.

## 2. Design a Poster

- ▶ Make an information poster about why and how we could recycle more single-use plastics (maximum size is A3).
  - ▶ The best posters will be used for the Borough Council to promote their Reduce, Re-use, Recycle project.
  - ▶ Remember to make it
    - ▶ colourful
    - ▶ clear
    - ▶ give people information
    - ▶ show what you can do with plastics
    - ▶ help your school and family to do better recycling!

### 3. Design a Game or Toy

Design your own game or toy using recycled or upcycled materials

What about these ideas:

Make a Unicorn Hobbyhorse out of a recycled milk carton and an upcycled plastic garden cane.

Make a set of skittles from plastic bottles for a game with friends.

# 4. Make a short film that can be shown on Internet media feeds

<https://www.youtube.com/watch?v=6lMsjxjvAlY&feature=youtu.be>

Click on the link

We reckon that film was a bit RUBBISH!

[...and that was a really bad joke!]

Could you make a better short film about Reduce, Re-use, Recycle that you can post on Facebook or Twitter tagging us all at @WestNorfolkBC @storiesoflynn @kickthedust

Have a go, you have loads of time to spare!

## 5. Design some Clothes or Costume Accessories

Make an outfit of clothes from recycled plastics?

Make a bag or piece of jewellery to look more stylish?

Create your own catwalk in your upcycled plastics, film it and post it to Facebook or Twitter tagging us all at:  
@WestNorfolkBC @storiesoflynn @kickthedust

# What do you need to do next?

1. Talk to your friends, family and teachers and find out more about plastics, recycling and the environment.
  2. Get collecting, sorting, recycling and UPCYCLING more plastics.
  3. Plan your ideas about how you can do more to Reduce, Re-use and Recycle plastics and create your designs for the competition.
- ▶ Post your designs for the 5 categories on Twitter or Facebook using tagging us all at:
    - ▶ @WestNorfolkBC @storiesoflynn @kickthedust

**The Single Use Plastics Committee  
and The Reprocessors can't wait  
to see what you design and make.**

**Good Luck, Everyone!**

**Remember...  
Reduce, Re-use and Recycle so  
EVERYONE is a WINNER!**
